

I do not want the Wisconsin No Call List taken away!! We finally have some peace and quiet during the supper and evening hours. I signed up for this list because I was fed up with my personal time being violated by all of the telemarketers. I don't need them calling about windows, siding, banking, etc. If I need something I will call the companies myself. I do not want anymore harassment. I am a teacher and spend my nights correcting papers, doing reports, planning, etc. I don't have time to constantly be disrupted. Enough is enough! Don't take the No Call List away from us!!
